

High Temperature Resistant Photovoltaic Battery Cabinet for Cement Plants IP65 Grade

Engineered with reinforced steel enclosure and IP55/IP65 protection class for dust, water, and corrosion resistance in severe climates. Combines high-voltage lithium battery packs, BMS, fire protection, ...

They are manufactured using high-quality galvanized steel sheets, insulation wool, high-temperature resistant EPS or PU materials, featuring a double-layer thickened outer shell for a longer service life.

Perfect for industrial equipment, electrical cabinets, and outdoor installations, our enclosures offer customizable solutions for renewable energy, telecommunications, and more.

The cabinet is designed for wide-temperature range operations (-20°C to +60°C), with built-in thermal management, anti-corrosion materials, and high-altitude suitability.

NEMA 3R outdoor battery cabinet for lithium protection and cooling. Provides reliable, efficient power storage for harsh environments.

Constructed from galvanized or stainless steel and rated up to IP65, it ensures complete resistance to dust, rain, and corrosion while maintaining optimal operating conditions for all internal components.

A high protection class battery cabinet that can be applied as standalone or extension of outdoor power system. The system integrates temperature control and ventilation system, heater (option) and ...

Deye outdoor cabinet is an energy storage device designed for outdoor environments. It has an IP65 high protection level and corrosion-resistant materials, and is suitable for harsh conditions such as ...

Introducing the IP65 Mount Battery Rack Cabinet, designed for robust outdoor applications. This weatherproof solar battery cabinet is perfect for storing inverter batteries, ensuring optimal ...

Outdoor battery cabinet enclosure is designed to house a variety of batteries and ideal for applications where your expensive and sensitive network equipment is exposed environmental factors such as ...

High Temperature Resistant Photovoltaic Battery Cabinet for Cement Plants IP65 Grade
