

# When can the mountain locker be put away

How do you store skis during the off-season?

There isn't one best way to store your skis during the off-season. As long as you keep them in a cool and dry environment without much moisture, they will be fine sitting in the dark until you can head back up to the mountains. If you leave them in an area that gets moisture, such as the garage or a shed, this can lead to the edges rusting.

Where can I Reserve a season locker?

Reserve yours at the Guest Services Desk across from the Ticket Lobby on the first floor of Main Lodge. Season lockers are offered at the Mountain Center in The Village and Main and Canyon Lodges. Each season, lockers are offered first to their previous owners, then are available if they choose not to renew.

How do you store a summer ski?

Pro tip for summer ski storage: Add a thick layer of wax to the bases and store skis with a ski strap at the tip and tail of the ski to keep edges protected.
